

2022 Supplier Showcase Directory

The Public Purchasing Association of North Central Texas (PPANCT) has served public purchasing professionals in North Central Texas since 1986. We are proud to be a chapter of the National Procurement Institute (NPI), which is the public purchasing affiliate of the Institute for Supply Management (ISM).

PPANCT was organized to establish cooperative relationships among its members for the purpose of developing efficient and effective purchasing methods and practices in the field of public procurement and to advance the purchasing profession in the North Central Texas region. We are dedicated to providing avenues for growth in purchasing and materials management, thereby enhancing the skills needed and the ongoing education desired by public purchasing professionals, today and in the future.

FITNESS ESSENTIALS FOR EVERY COMMUNITY

Comm-Fit provides full fitness facility solutions for any community. From design and athletic flooring, to equipment, accessories, free weights, kettlebells and benches, we offer a turnkey customer experience. And with our disinfecting services and preventative maintenance plans, our solutions are designed to be easily installed and even easier to clean and maintain.

DESIGN | EQUIPMENT | FLOORING | DISINFECTION | SERVICE

powered by  VendorPanel

Get answers quickly and easily from suppliers on multiple local and national cooperative contracts.

SAVE TIME: No more bidding, no more searching through hundreds of confusing documents

GET ANSWERS: Ask questions directly to suppliers, verify compliance, and meet your T's and C's

FIND VALUE: Get and compare supplier quotes and select the best cooperative contracts for your needs

CompareCoOps is not a cooperative, we're an independent third-party technology platform that helps buyers and suppliers with CoOp contracts connect and achieve success together.
